This AGREEMENT, effective from July 1, 2022 to June 30, 2024, between the Commonwealth of Kentucky, **Office of the Attorney General (OAG)**, party of the first part, hereinafter referred to as the **GRANTOR**, and **Kentucky State Police (KSP)** party of the second part, hereinafter referred to as the **GRANTEE**,

WITNESSETH:

WHEREAS, the OAG has received an award for The National Sexual Assault Kit Initiative (SAKI), administered by the Bureau of Justice Assistance (BJA), funded through a competitive grant program to support multidisciplinary community response teams engaged in the comprehensive reform of jurisdictions’ approaches to sexual assault cases resulting from evidence found in previously unsubmitted sexual assault kits (SAKs). The focus of this initiative is on those previously “unsubmitted kits,” which are defined as SAKs that have not been submitted to a forensic laboratory for testing with CODIS-eligible DNA methodologies. The goal of the SAKI is the creation of a coordinated community response that ensures the resolution of those cases, whenever possible, through a victim-centered approach. Specifically, 2019 KySAKI furthers the general objectives of 2017 award, with the added specialized testing. This award includes forensic genealogy and phenotyping/ancestral analysis.
