-On November 9, FDA issued warning letters to seven online retailers for selling unauthorized e-cigarette products, including Elf Bar, EB Design, Bang, Cali Bars, and Lava. The warning letters are posted [here](#).

-FDA issued complaints for civil money penalties (CMPs) against 22 retailers for the illegal sale of Elf Bar/EB Design e-cigarettes, a popular youth-appealing brand. The FDA previously warned each retailer to stop selling unauthorized tobacco products. During follow-up inspections, the FDA observed the retailers had not corrected the violations, which resulted in these civil money penalty actions.
